From: Martha Poyatos, Executive Officer
Subject: Legislative Report – **INFORMATION ONLY**

The attached legislative update was reviewed by the Commission’s Legislative and Policy Committee and the following summary has been updated since their review. Bills of interest include the following:

AB 2238 (Aguiar-Curry): This bill responds to the recent fires in California and would amend factors to be considered by the Commission in reviewing a boundary change proposal. These factors would include consideration of any relevant hazard mitigation plan or safety element of a general plan and the extent to which the proposal will affect any land identified as a very high fire hazard severity zone or land determined to be in a state responsibility area, as provided.

In reviewing the bill, the Commission’s Legislative and Policy Committee expressed concern that the bill misdirects the responsibility to LAFCo rather than fire marshals. Additionally it was observed that such scrutiny by LAFCo would be better carried out in the process of Municipal Service Reviews. This bill is being monitored by a subcommittee of the CALAFCO Legislative Committee and a position of “watch” is recommended.

AB 2050 (Caballero): This bill would create the Small Water System Authority Act of 2018 and establish legislative findings relating to authorizing the creation of small system water authorities that will have powers to absorb, improve, and competently operate noncompliant public water systems. The bill would require that a change of organization be carried out as set forth in the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (CKH Act). The bill is now co-sponsored by Eastern Municipal Water District (EMWD) and the California Municipal Utilities Association (CMUA). CALAFCO’s Legislative Committee is working with the sponsors on this massive proposal titled “Small System Water Authority Act of 2018.” The sponsors propose a process to authorize the State Water Resources Control Board (SWRCB) to mandate dissolution of existing water service providers (public, private, and mutual) and form a new public authority with all of the dissolved entities. The entities may be serving areas that are not contiguous. Staff recommends a “watch” position on this bill as drafted because if enacted, it could have a negative effect on water systems in San Mateo County including County Service Area 11 (Pescadero).

SB 778 (Hertzberg): This bill would require the SWRCB to report on the outcome of voluntary and mandatory consolidation of water systems, including whether a consolidation succeeded or failed to provide adequate and safe drinking water to affected communities. The Water Board has a varying level of participation in consolidations, in particular voluntary consolidations, and this bill would provide for an added level of review in regard to outcomes. It has recently been revised to apply only to consolidations completed on or after July 1, 2014. Staff recommends a “watch” position.

SB 1215 (Hertzberg): Sponsored by the Leadership Council for Justice and Accountability, this bill seeks to mirror SB 88 (which mandated facilitated consolidation of sewer agencies in certain circumstances) by granting the SWRCB authority to mandate consolidation or extension of service for water services (with some minor differences). This bill focuses on disadvantaged communities through processes that would override local LAFCo authority. CALAFCO’s Legislative Committee is monitoring the bill and working with Senator Hertzberg’s staff and recommends a “watch” position on this bill.

Summary:

Would create the Small System Water Authority Act of 2018 and state legislative findings and declarations relating to authorizing the creation of small system water authorities that will have powers to absorb, improve, and competently operate noncompliant public water systems. The bill would define various terms and require a change in organization to be carried out as set forth in the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000.

Position: Watch

Subject: LAFCo Administration, Municipal Services, Water

CALAFCO Comments: This bill is sponsored by Eastern Municipal Water District and the CA Municipal Utilities Assoc. The intent is to give the State Water Resources Control Board (SWRCB) authority to mandate the dissolution of existing drinking water systems (public, mutual and private) and authorize the formation of a new public water system. The focus is on non contiguous systems. The SWRCB already has the authority to mandate consolidation of these systems, this will add the authority to mandate dissolution and formation of new public agencies.

CALAFCO met with the sponsors several times and they indicate a desire to work with LAFCOs on creating a process that works. However, it is our understanding that LAFCo will lack any discretion in the dissolution of any public water agency mandated by the SWRCB and the formation of a new entity as mandated by the SWRCB. CALAFCO will continue to work with the sponsors and author.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 specifies the factors that a local agency formation commission is required to consider in the review of a proposal for a change of organization or reorganization, including, among other things, the proposal's consistency with city or county general and specific plans. This bill would additionally require the commission to consider any relevant hazard mitigation plan or safety element of a general plan, and the extent to which the proposal will affect any land identified as a very high fire hazard severity zone or land determined to be in a state responsibility area, as provided.

Position: Watch

Subject: Climate Change, Growth Management

CALAFCO Comments: This bill seeks to add another factor for LAFCo consideration in the review of a proposal. That factor is any relevant hazard mitigation plan or safety element of a general plan, and the extent to which the proposal will affect any land identified as a very high fire hazard severity zone (pursuant to Gov. Code Sc. 51178) or land determined to be in a state responsibility area (pursuant to PRC Sec. 4102).

This bill is in response to the rash of wildfires throughout the state over the past several years and the ongoing threat of same as a result of climate change.

Summary:

Current law requires a local agency formation commission in each county to encourage the orderly formation and development of local agencies based upon local conditions and circumstances, among other things. Current law requires the county auditor to apportion, as specified, the net operating expenses of the local agency formation commission among the county, cities, and special districts within the commission's jurisdiction. This bill would make a nonsubstantive change to that provision.

CALAFCO Comments: As introduced this is a spot bill. This is a CALAFCO sponsored bill following up on the recommendation of the Little Hoover Commission report of 2017 for the Legislature to provide LAFcos one-time grant funding for in-depth studies of potential reorganization of local service providers. CALAFCO is working with the Strategic Growth Council in preparing a process and actual language will be coming soon.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 requires a local agency formation commission to develop and determine the sphere of influence of each city and each special district within the county and enact policies designed to promote the logical and orderly development of areas within each sphere. Current law requires the commission, in order to prepare and update spheres of influence in accordance with this requirement, to conduct a service review of the municipal services provided in the county or other appropriate area designated by the commission, as specified. This bill would make a nonsubstantive change to this provision.

Summary:

Would authorize the formation of a district by the adoption of a resolution of application by the legislative body of any county or city that contains the territory proposed to be included in the district. The bill would require the resolution to contain certain information, including the methods by which the district would be financed. The bill would require a public hearing before the adoption of the resolution, as provided.

Position: Watch

CALAFCO Comments: This bill would expand the process of initiating the formation of a regional park and open space district by adding that a local governing body may adopt a resolution proposing to form a new district. This would be in lieu of having a 5,000 signature petition. The LAFco process remains intact.

The intent of this bill is to create an easier way to proposed the formation of these types of districts, thereby removing the need for special legislation to do so. The bill is author-sponsored.

CALAFCO Comments: This bill would authorize the State Water Resources Control Board (SWRCB) to mandate extension of service or consolidation of wastewater systems - both public and private, under certain circumstances. Summary:

The California Safe Drinking Water Act authorizes the State Water Resources Control Board to order extension of service to an area within a disadvantaged community that does not have access to an adequate supply of safe drinking water so long as the extension of service is an interim extension of service in preparation of consolidation. The act defines “disadvantaged community” for these purposes to mean a disadvantaged community that is in an unincorporated area, is in a mobilehome park, or is served by a mutual water company or small public water system. This bill would redefine “small public water system” for these purposes as a system with 200 connections of less.

Summary:

The Santa Clara Valley Water District Act authorizes the district to impose special taxes at minimum rates according to land use category and size. The district act authorizes the district to provide an exemption from these taxes for residential parcels owned and occupied by one or more taxpayers who are at least 65 years of age, or who qualify as totally disabled, if the household income is less than an amount approved by the voters of the district. This bill would authorize the district to require a taxpayer seeking an exemption from these special taxes to verify his or her age, disability status, or household income, as prescribed. The bill would authorize the board of directors of the district to provide the exemption.
